Susan- I need some guidance on the EPA logo shirts.

1. Is there a preference on shirt colors? Right now, our plan is to split sizes XL and up between dark blue and gray, and split shirts L-M between gray, light blue, and dark blue. Polos will be 2 white, 3 navy. Any changes?
  2. We spoke with Mike Nelson about ordering these, and he is seeking specific verbage to justify purchasing "EPA ID clothing". Do you have a justification for the purchase?
- Thanks.

respectfully,
